Planning Execution:	Order between 7/18 and 8/11 via the December promotional bulletin!

During this peak season for power tools, hand tools and power tool accessories, we will be offering additional off-shelf opportunities, using high-traffic power aisle placement to promote our best tool brands and help you capture incremental holiday sales!

2023 Q4 Tools Off-Shelf Program Overview:

Based on your feedback, we have continued to update this program to help drive sell-through at POS. The Tools Off-Shelf Program includes 2 months of National Advertising promotions in November and December. Additionally, there will be an in-store Instant Savings promotion during the month of January 2024. These great off-shelf promotions offer a low risk to you for buying into the program and give you 3 months to move through product.

We have simplified the program with a focus on \$\$ off discounts for single items, versus more complex offers, to help you drive sales and create an easier shopping experience for the customer.

Product Overview:

To ensure strong sales throughout Q4, we have 6 different quarter pallet shippers available and an end cap program with 3 different offerings! We're keeping you aligned with our **Best Brands** strategy by including quarter pallets from Milwaukee, DeWalt and CRAFTSMAN. Additionally, all SKUs within the quarter pallets are **Discovery** Planogram supported!

Our power tools are tried and true volume drivers that will allow you to appeal to the broadest customer base by including drills, impact drivers and 2-piece combo kits.

Our power tool accessories and hand tools make great **impulse buys, add-ons and/or giftable** options during this holiday season.

Overall, you control which brands/offers work best for YOUR store, with the ability to purchase **a la carte**.

Quarter Pallet Shippers and Additional Promotional Options:

- 2025317 – CRAFTSMAN Power Tools/Power Tool Accessories
- 2032155 – DeWalt Power Tools
- 2032299 – DeWalt Power Tool Accessories

To provide maximum exposure to your customer, set all displays in a high-traffic area near the front of your store. Your customers should be able to see these lined up as they walk in the store.

Lastly, quantities of each quarter pallet shipper are LIMITED — available to order **while supplies last** — so don't miss out on this great program!

Title:	Round Up for Your Local CMN Hospital
Sale:	N/A
Valid Dates:	11/1/23-12/31/23
Planning Execution:	Turn on the Round Up function at the register this holiday season from November 1–December 31 to raise funds for kids and families at your local CMN Hospital.

Give your customers the opportunity to give back to your local CMN Hospital this holiday season!

It's the season of giving, so let's join together and give back to our communities by asking customers to round up their totals at the register from November 1–December 31.

In 2022, we started Round Up on November 1 for the first time and stores raised an astonishing \$2.8 million – pennies at a time.

KEY FACTS ABOUT ROUND UP

- You must be on at least Epicor Level 25.0 AND have Ingenico iSC250 Signature Capture devices.
- Please be sure you are using national Round Up SKU 9269862 so that the Ace Foundation can charge your Ace statement at the end of each month for the amount you raised. The Foundation then sends your funds to your local CMN Hospital on your behalf. No need to send in any funds!
- Data shows that consumers are much more likely to round up their total than to give a set dollar amount. And it works best if the cashier points out the Round Up option rather than just having the consumer read it with no prompt, especially for a cash transaction.
- The 2022 Holiday Round Up campaign saw Round Up with an average of 22% of transactions for participating stores. Let's shoot for 40% in 2023!

DID YOU KNOW?

- You can turn off the Round Up ask for House accounts via Function 1641.
- If you are on Epicor level 27.1, you can run donation reports by cashier.
- You can turn the Round Up function on and off whenever you'd like. You don't have to wait for the holidays! You can keep it on the entire year if you want, or if a month feels too long, you can do two weeks. It's entirely up to you as far as what works for your team and your customers!
